Expectations:

1. You must be on time to class. It is imperative for the success of the group that you are at rehearsal. You should only miss for extreme illness or other school related events. Please make sure that you plan your schedule accordingly.
2. You must be engaged in rehearsal. Sleeping, using your cell phone, doing other homework, or just not participating is not an option. If you want to be successful then you have to work for it.
3. You must work on your music outside of class. You will need to take your music home and learn it there. Our rehearsals should focus on the group dynamic, not learning individual parts.
4. You must be a leader. Being a member of chamber choir means that you have to work harder, be better and set the example for everyone. It is not an excuse to coast.
5. You must believe in yourself and learn to trust your fellow choir members. If we want to be successful then we must love and trust everyone in the group. No cliques, gossip or backbiting. We are here to help each other, not tear others down or exclude them.
6. You must complete all assignments. DO NOT expect rewards without putting in the work.
7. You must ENJOY WHAT YOU ARE DOING!
